

## Spiritual Individualized Education Plan (SIEP)

The Florida District Children's Ministry has partnered with ABLE Ministry, a program of the Ladies Ministries Division of the United Pentecostal Church International (UPCI) that is dedicated to assisting individuals and families affected by disability within the church and the community, to provide additional support to children across our District. We are blessed to announce that we will implement the use of a Spiritual Individualized Education Plan (SIEP) to better equip us in meeting the varied needs of our children with special needs and also have an ABLE Ministry representative coordinating support at our children's camps.

Although this is called a Spiritual Individualized Education Plan (SIEP), it is different from the IEP or 504 plan at school, as we are more focused on providing the support, love, care, and most of all, spiritual nourishment, of the children attending the Florida District Children's Camps.

- In simple terms, tell us about your child. How would you describe your child to a stranger?

---

---

---

---

- If it would be helpful for us to know, does your child have an official medical diagnosis?

---

---

---

- What interests your child? Is there anything that is especially motivating?

---

---

---

- Are there any special diets or food allergies that we need to be aware of?

(Please note that if your child has a special diet their food must be brought from home for the week)

---

---

---

---

- Does your child have any challenging behavior(s)? What do you typically do in response? Are there certain things that make him/her anxious, sad, or fearful?
